

E.D.I.S. Vision Plans™

The facts:

Vision is one of the top 5 most desired benefits.

- *LIMRA International*

More than 75% of Americans between the ages of 25-64 require some sort of vision correction.

- *Johnson's Optical Research*

Employers gain up to \$7 for every \$1 spent on vision coverage. Vision problems cost employers an estimated \$8 billion annually because of reduced productivity.

- *Vision Counsel of America*

Vision care is a relatively simple, often overlooked.... yet valuable employee benefit.

A self-funded vision plan shows your dedication to preserving employees' eye health and wellness, while focusing on choice and value.

- You choose how much you want to spend
- You choose which services are covered
- We handle the administration for a low per employee per month fee
